Subject: Cease & desist threats

EXTERNAL SENDER

Rather than answering my complaints against you, including my original email to you firm on March 17, 2020, you & your agent Hire Counsel have been sending threatening emails to me. Let me remind your law firm that you & [REDACTED] violated your agreement with me & acted unethically by disclosing my involvement in this case to the lawyers on the other side which has caused me great personal & financial risk which I intend to hold all of you strictly liable for. Please do not write me further. Your firm & the others acted unlawfully in terminating me in the first place & your continuing threats & illegal acts will be added to my existing damages.
